“ I have three Masters degree and many professional certificates, I have more than a decade of work experience in educational sector. I’m a versatile candidate and have taught many subjects like Science, Business and English, at many levels like middle school, high school, colleges and Universities. I’ve designed and taught many curriculums like British and American. My areas of expertise include curriculum development, pedagogy, teaching methodologies and cross-cultural communication. Through my teaching, I strive to create a supportive and dynamic learning environment that fosters critical thinking, problem solving, collaboration and creativity. I am committed to maintaining high standards of professionalism in all aspects of my work. I am passionate about sharing my knowledge and skills with others and am always looking for opportunities to contribute to the growth and development of my colleagues, students and organization.”
